

School District

Mission Statement of the School District

As a school corporation of Iowa, the Davis County Community School District, acting through its board of directors, is dedicated to promoting equal opportunity for a public education for resident students commensurate with their individual needs by sharing, in the spirit of cooperation, with the parents and members of the district community to develop in its most precious natural resources--our children, a healthy ability to interact socially, intellectually, emotionally, and physically within their home and community.
